## **IEEE MADRAS SECTION**

# **Student Skill Development Program**

Course Title
Research Methodology

Date

17 October 2015

Co-ordinators

Dr. N. Kumarappan Dr. N.Mahendran

Venue

# CK College of Engineering and Technology, Cuddalore

Organized by

## IEEE MADRAS SECTION IEEE Student Branch

&

Department of
Electronics and communication Engineering
CK College of Engineering and Technology,
Cuddalore

Technically sponsored by

IEEE CIS Madras Chapter

CK College of Engineering and Technology

(Patronized by CavinKare Pvt. Ltd., Chennai)

#### About the IEEE

The Institute of Electrical and Electronics Engineers Inc. (IEEE), a nonprofit organization, is the world's leading professional association for the advancement of technology. IEEE offers a wide range of learning, career enhancement, and employment opportunities within the engineering sciences, research and other technology areas.

The goal of these programs is to ensure the growth of skill and knowledge among professionals and to foster individual commitment to continuing education among IEEE members, the engineering and scientific community and the general public. IEEE provides various university and corporate partner programs, online learning resources and certificate programs through its continuing education offerings for students and professionals. These continuing education offerings also provide access to technical courses at conferences and section meetings, society education programs and various print materials. The IEEE has more than 377,000 members in 160 countries. The IEEE publishes more than 1,000 leading-edge conference proceedings every year, which are recognized by academia and industry worldwide as the most vital collection of published consolidated papers in electrical engineering, computer science and related fields. Student branches provide an opportunity for student members to begin networking in their areas of interest and future profession. There are nearly 2,000 student branches in 80 countries at various educational institutions.

#### **IEEE Madras Section**

IEEE Madras Section came into existence in 1973 and has crossed its silver jubilee year. IEEE Madras Section has an active membership of 2777 life/senior members/ members. The student membership is around 8154. The IEEE Madras Section conducts technical lectures, symposiums and conferences by eminent personalities from several fields.

#### About the Student Skill Development Programme

The methodology includes publication, research, interviews, surveys and other research techniques. Research comprises defining and redefining problems, formulating suggested solutions, collecting, organizing and evaluating data and reaching conclusions. As a service to the teaching community in the engineering institutions, the IEEE Madras Section in association with IEEE Student Branch, CK College of Engineering and Technology *is* organizing a Student Skill Development Programme (SSDP) on the *topic* "Research Methodology". This one day SSDP will be an excellent opportunity to get substantial knowledge of modern methods in research and to create venues for students to explore current trends in publishing papers in IEEE.

#### About CKCET

The College was established by Sri Jayaram Educational Trust in 2002 with 3 branches viz. CSE, EEE and ECE. The Man behind this management is Mr. CK. Ranganathan, the Chairman & Managing Director of CavinKare Group of Companies who is in the business of FMCG, Dairy, Beauty Saloons, Restaurants, etc. with a turnover of Rs. 1500 crores. It came under CavinKare Management in March 2010. CK College of Engineering & Technology (CKCET) has PG in Applied Electronics and also MBA.

#### Course Contents:

- Introduction to Research Methodology
- How to publish papers in IEEE
- How to prepare and present a research paper

#### **Participants**

Faculties from various Technical Universities/Engineering Colleges of Tamil Nadu can participate.

#### Accommodation

Boarding and lodging will be provided in the Institute Hostels on chargeable basis on request.

#### Schedule

The course on "**Research Methodology**" is proposed to be held on 17th **October 2015**. The program will be for one day with 4 sessions

Registration: 08.45 – 09.15AM Session 1 : 09.30 – 11.00AM Session 2 : 11.15 – 01.00PM Lunch : 01.00 – 01.45PM Session 3 : 01.45 – 03.45PM Certificate distribution 04.00PM

#### Important Dates

Last Date for Registration : 14-10-2015 Intimation by E-Mail : 14-10-2015

#### Course Fee

There is course fee of Rs.400/- for IEEE members and Rs. 500/- for non-IEEE members. The fee includes course kit and lunch. The number of seat is limited and the participants will be chosen on a first come- first-serve basis.

Resource Persons

#### • Dr.N.Kumarappan,

Professor of Electrical Engineering, Faculty of Eng. & Tech, Annamalai University, Annamalai Nagar.

#### • Dr.N.Mahendran

Professor and HOD, Department of ECE CK College of Engineering and Technology Cuddalore

# How to reach CK College of Engineering and Technology

It is situated at the heart of the Cuddalore City. The College is one kilometer away from the Railway Station and two kilometers away from Bus-stand.
