

IEEE Madras Section Student Congress
20th & 21st September, 2019
Venue: SRM Institute of Science and Technology, Chennai

About IEEE & IEEE Madras Section

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its over 425,000 members inspire the global community to innovate for a better tomorrow through highly cited publications, conferences, technology standards, and professional and educational activities. IEEE volunteers work closely with the local, regional and global communities in over 160 countries by contributing in a multitude of ways.

IEEE Madras Section came into existence in 1973 and has crossed its silver jubilee year. IEEE Madras Section is one of the most active of the 11 sections in India, coming under Asia-Pacific region, the region 10 of IEEE. The section has around 150 student branches and 4000 student members. It is considered to be one of the very few sections in the world to have such a large number of SBs and student members. IEEE Madras Section has received the Large Section Award for the year 2016.

The IEEE Madras Section regularly conducts technical lectures by eminent personalities, Workshops, symposiums and Seminars on latest technologies with the objective of enhancing the technical knowledge and skills of the students studying in the Engineering Colleges and Universities in this part of the country. It also conducts faculty development program to enhance the competency of the faculty members working in technical institutions.
