DATE: 11.04.2026

HOSTED BY: DEPARTMENT OF CSE, CEG CAMPUS, ANNA UNIVERSITY

The IEEE Madras Section Paper Presentation Contest 2026 provides a platform for undergraduate students to present their innovative ideas and research contributions that address real-world challenges. The event is organized by the IEEE Madras Section in association with the department of Computer Science and Engineering, IEEE CEG Computer Society Student Branch Chapter at the Department of Computer Science and Engineering, College of Engineering Guindy, Anna University. It emphasizes research aligned with the United Nations Sustainable Development Goals (SDGs), encouraging the development of impactful and socially relevant technological solutions.

SUBMISSION DETAILS

Undergraduate students are invited to submit original, unpublished research papers aligned with the contest tracks, showcasing innovative ideas and practical solutions to real-world problems. Papers must be submitted through the online registration link in IEEE format. Each team can have up to three members. Teams with at least one IEEE member are exempt from the registration fee upon scrutiny, while non-IEEE teams must pay INR 500 for the final (physical presentation) round.

TECHNICAL TRACKS

- Innovation and infrastructure
- Good Health and Well Being
- Sustainable Cities and Communities
